Getting Started - Campus Portal for Parents

Stay connected with your student's information!

Campus Portal is a quick and convenient tool to help you stay involved with your student.

- Check attendance and grades
- Review and update household information online, including the annual student information update
- Choose the school communication methods you prefer such as text, email, and phone

Application Tips

BROUGHT TO YOU BY:

SCHOLARSHIPS & CONTESTS

Joplin High School / Advisement / School Counselors Department / School Counselors Department / Scholarships & Contests

Start planning now!

Scholarships are awards of money that do not have to be repaid. Typically, scholarships are awarded based on students' academic achievements, leadership, community service, financial need, and/or written/oral communication.

ATTENTION SENIORS

The scholarship information on this page will be updated *every couple weeks*. This is only a fraction of the scholarships available to students. Most scholarship money is awarded from the college you will attend. Check the financial aid link on college websites for information on academic, departmental, and other scholarships specific to each school. Many scholarship deadlines fall before college application deadlines, so apply early! It is the responsibility of each student to request and complete any available scholarship applications.

DISCLAIMER OF ENDORSEMENT: Scholarships are listed for the user's convenience only. The JHS Guidance Department does not endorse any of these scholarships or contests except for the Joplin Schools scholarships. We caution students and parents to be aware that personal information submitted on the paper applications or over the Internet has no guarantee of privacy. Read each website's privacy statement before submitting any personal information, including your email address. It is important for
